FEATURED BRANDS

Nature's Logic offers 100% natural, whole-food nutrition with no synthetic vitamins or minerals, making their small bags a convenient way for pet parents to explore high-quality recipes for dogs and cats. This April, retailers can contact their NAN Distribution sales representative to take advantage of a special deal on Nature's Logic small bags.

Open Farm's new GoodGut line is designed to support pets' digestive wellness with thoughtfully crafted, high-quality nutrition. Retailers interested in adding GoodGut products to their offerings can contact their NAN Distribution sales representative for availability and purchasing details.

Indigenous
Pet Products

Indigenous Pet is recognized for its thoughtfully crafted dental and chew products that support everyday pet wellness. Their focus on quality, care, and consistent innovation makes them a valued partner as we continue serving the needs of pets and retailers throughout the industry.

Suzie's CBD Treats

Suzie's CBD Treats has earned a strong reputation for producing high-quality CBD treats and supplements that pet owners can trust as part of their pets' daily routines. With a focus on dependable ingredients and intentional product development, Suzie's aligns closely with NAN Distribution's commitment to offering trusted, purpose-driven solutions to the pet industry.

Vet Worthy is spotlighted for its Skin & Coat products that help support healthy skin and a glossy coat during seasonal changes. With a focus on dependable, purpose-driven wellness solutions, Vet Worthy aligns with NAN Distribution's commitment to offering high-quality products that fit seamlessly into everyday pet care routines.

GUNNI'S
Taste of Iceland

Gunni's food toppers for dogs and cats are designed to add variety, flavor, and easy enrichment to everyday meals, making them a popular choice for pet parents looking to elevate their pets' nutrition. Their simple, purposeful approach to meal enhancement aligns with NAN Distribution's commitment to offering high-quality, dependable products that support the needs of today's pet families.

FEATURED BRANDS

woof

The Woof DualPlay line offers engaging, enrichment-focused products designed to support both mental and physical activity for pets through interactive, thoughtfully crafted play. This innovative approach to dual-purpose enrichment aligns with NAN Distribution's commitment to providing retailers with high-quality products that keep pets stimulated, active, and thriving.

Outward Hound's Fun Feeders and treats offer high-impact, enrichment-driven solutions that help retailers meet strong customer demand for healthier eating habits and engaging play options. Their innovative, purposeful designs make them a compelling addition for stores looking to drive sales with products that consistently deliver value and satisfaction for pets and their families.

YEOWWW! delivers high-impact, USA-made cat toys known for their bold designs, durable construction, and irresistible appeal to cats. Their commitment to reliable materials, standout creativity, and consistent performance makes them a strong sales driver for retailers looking to offer trusted, high-value enrichment options that keep customers coming back.
