Re: Order Placement Schedule and Delivery Schedule for the Week of Thanksgiving Day 2025

The NAN office and warehouse will be closed on Thanksgiving Day, Thursday November 27 AND Friday November 28. **However, on orders scheduled to be placed on Wednesday November 26 deliveries will be made either on Friday November 28, OR on Monday December 1.** We are implementing a new WMS and ERP system. To import data from the old systems to the new system will take about 3 days to do and this week provides us with the best opportunity to do so with minimal disruption to our customers. Therefore, normal order placements and/or delivery days will change for most of our customers. **It is important that you know when to place orders and expect delivery for this week and plan accordingly to have the product you need.**

****If you plan to close earlier than usual on your delivery day, contact your Customer Service Representative or your Driver no later than the day before delivery to avoid having your order postponed until the following week.**
